

#### Standard Features Worksheet

# **Wesley Manor**

### Structural

**Foundation** 

Footings Continuous poured 3000 psi with steel rebar reinforced

Foundation Type Slab

Basement Type Poured Concrete Walls stepped with the grade of the site

Basement Floor 4" thick, 3000 psi, reinforced concrete over 6 mil vapor barrier w/contiguous footings

Garage Floor 4" thick, 3000 psi, reinforced concrete

Garage Type Three Car Garages

WaterProofing Dampproofing with Horizontal "J" Drain applied to the base of the foundation wall's exterior.

Termite Protection Centricon baiting system

**Exterior Concrete** 

Driveway 4" thick, 3000 psi, brushed finish w/picture frame and expansion joints as needed Private Walk 4" thick, 3000 psi, brushed finish w/picture frame and expansion joints as needed Patio/Rear Porch 4" thick, 3000 psi, brushed finish w/picture frame and expansion joints as needed Front Stoop/Porch Concrete floor with 8" edge of brick or stone per elevation and matching steps

**Framing** 

1<sup>st</sup> floor Floor system Engineer Truss Floor system

1<sup>st</sup> floor Height 9' and 10' First Floor with 7/16" wall sheathing

 $\begin{array}{ll} 2^{nd} \ floor \ Floor \ system & Engineer \ Truss \ Floor \ system \ or \ TGI \\ 2^{nd} \ floor \ height & 9' \ Second \ Floor \ with \ 7/16'' \ wall \ sheathing \end{array}$ 

Subfloor Decking 3/4" tongue & groove sub flooring fastened w/glue, nails & screws

Roof Framing Engineer Roof Truss system on main roof with stick built fill-in area or Stick built roof

Roof Sheathing 7/16" OSB with 15 lb felt paper overlay.

### Mechanicals

Plumbing

Water Service line from street 3/4" polyethylene or similar per code

Water lines interior PEX waterline system

Water Heater Gas 50 Gallon Quick recovery water heater

Hose bibs (1) front, (1) rear

**Heating and Cooling** 

Furnaces Trane 80% electric ignition natural gas, zoned & sized per plan

Plenum Metal Plenum box

Thermostats Programmable set-back standard, one per system

Air Conditioner compressors

Ducting

Trane 13-seer units zoned for each floor
Insulated, foil-wrapped fiberglass in attic
Registers

Standard metal, white and/or brown

**Electrical** 

Electrical Panel 200 Amp Service with whole house grounding

Can Lights (9) Can Lights

Undercounter lights Pre-wire undercounter lights

Devices Standard toggle style switches and outlets, light almond, per code

Exterior Outlets (3) waterproofed GFCI circuited, per code

Dryer Service 220 volts and 110 volts

Smoke Detectors Hard wired w/battery back-up, per code Carbon Monoxide Detectors Carbon Monoxide Detectors per code

Flood Lights (2) one in front and one in rear of house, two bulb

Ceiling Fan wiring Family Room and All Bedrooms, braced and double switched

**Low Voltage** 

Security System Pre-wire all windows and doors accessible from ground level

Cat-5 phone outlet (6) phone outlets RJ6 Cable outlet (7) Cable outlets

Conduit Above the fireplace to the component location

Insulation

House Wrap Correct House Wrap

Energy Efficiency Caulk all framing plates, Window and Doors, Ext. and int. penetrations,

Wall Insulation R-13
Ceiling Insulation R-30
Attic Insulation R-38
Basement Insulation R-19 ceilings

**Exterior Finish** 

Roofing

Roof CertainTeed Landmark 30 Weathered wood

Porch Roof Shingles

Gutters Aluminum gutters 5" gutters with standard downspouts

Splash blocks Standard Plastic, 1 per downspout

**Masonry** 

Brick Three Side Brick with queen size brick

Mortar Buff Mortar

**Exterior Carpentry** 

Siding Nichiha textured siding with 50 year warranty Cornice  $1 \times 6$ " Fascia with 4" crown on the front

Shake Nichiha Shake

Shutters Board and Batt shutters or Panel Shutter on the front per plan

Garage

Garage Doors Size (2) 8' x 7' front entry, (1) 7' x 16' 2-car side entry
Garage Doors Model Carriage Style Doors with insulation panels
Garage Doors Openers 1/3 H/P Chain driven openers with remotes

Windows

Windows Type Wood Double Hung w/insulated low-e glass with screens

Window Girds Front Only STDL window grids 4 over 1

Window Hardware Standard white sash locks
Basement Windows (3) 2'8" x 5'2" Single windows

**Exterior Doors** 

Front Door 3'0 6'8" Single Mahogany Door with beveled glass

Front Door Sidelite 6'8" 10" paint grade sidelites Front Door Transom 10" paint grade transom

Front Door Hardware Handle set w/lock, Deadbolts ORB Basement Door (1) Insulated metal 1/2 lite door

Door to Garage (1) Solid core exterior door matching interior doors Exterior Door Hardware Round entry locks keyed the same with Deadbolts

**Decks and Porches** 

Deck 160' sq.' deck with pressure treated 5/4 flooring boards
Deck Handrail Pressure Treated 2 x 4 handrails with 2 x 2 pickets

Deck Support Pressure Treated 6 x 6 post

Deck Steps Pressure Treated 3' foot wide steps down to a concrete landing

Landscaping

Planting & Beds Custom design and site specific

Bedding material Pine straw

Glassing Bermuda sod in front & side yards and 20' of backyard

# **Interior Finish**

Drywall

Type 1/2" Gypsum Wallboard

Corner Bead Square
Ceilings Smooth Finish
Garage Smooth Finish

**Fireplace** 

Fireplace type 36" or 42" pre-fabricated metal firebox with black metal shroud per plan

Fireplace Front Level 1 Marble

Mantle Custom built Mantles (4) style mantles

**Interior Trim** 

Casing 371 Casing

Base Boards Downstair 9 1/4" base 10' down stairs, 7 1/4" base 9 'down stairs up hallway and master bedroom and bath.

Base Boards Upstairs 7 1/4" Upstairs hallway and Master Bathroom and 5 1/4" secondary bedrooms

Crown Mold 7 1/4" Crown in Living Room, Kitchen, Breakfast, Family, Foyer, Up hallway and Master

Chair Rail 2 Piece Chair Rail in Dining Room(3)standard dining room treatments

**Interior doors** 

Door Size 8' doors on the first floor in main areas and 6'8" doors upstairs and remainder, per plan

Door Style Two Panel smooth or Two Panel Arch Top hollow panel doors

Hinges color Oil rubbed bronze or Satin Nickel

Door Knobs Oil rubbed bronze or Satin Nickel lever handle

**Stairs** 

Main Stairs Factory Built box stair with Oak treads and open rails

Newell Post Colonial post Handrails Colonial handrail

Pickets Wrought Iron Pickets with twist and baskets pattern

**Light Fixtures** 

Main color \$3,000 Allowance. Oil Rubbed Bronze or Satin Nickel

**Appliances** 

Double OvenKEBS207BSSCooktopKCGS556ESSVenthoodKXU4236XSSMicrowaveKCMS2255BSSDishwasherKDTE334DSS

**Cabinets** 

Kitchen Cabinet Doors

Tahoe Maple Doors with standard knobs

Kitchen Wall Cabinets

42" tall w/ crown molding and light valance

Master Tahoe Maple with standard knobs Secondary Tahoe Maple with standard knobs

Laundry Base cabinet for sink 30" upper cabinets over washer and dryer

Built-ins Custom built-ins with Lacquer finish

**Countertops** 

Kitchen 3cm Level One Granite
Master 3cm Level One Granite
Powder Room 3cm Level OneGranite

Secondary Bathrooms 2cm Granite Laundry Room Formica **Plumbing Futures** 

Kitchen Faucet Delta 978SS DST

Kitchen Sink 60/40 Stainless Steel under mount

Powder Room Faucet Delta 8" Leland Brushed Nichel or Oil Rub Bronze

Secondary Faucets Delta 4" Leland Chrome 2578 LHP H278

Secondary Tub Semi-Cast iron tubs

Secondary Bath Tub/Shower Faucet Delta Leland Chrome 14478 LHP H778

Master Bath Faucets Delta 8" Leland Brushed Nichel or Oil Rub Bronze

Master Tub Acrylic Garden Tub

Master Tub Faucet Delta Leland Brushed Nichel or Oil Rub Bronze
Master Shower Delta Leland Brushed Nichel or Oil Rub Bronze

Toilets White elongated Toilet

Glass

Mirrors Plate Glass Mirrors Shower Surround Frameless Shower Door

**Shelving** 

Shelving Type Wire Ventilated Shelving in all closets, linen closets and pantry

**Painting** 

Interior Paint Sherwin-Williams, two coats interior latex, flat finish - one color throughout house

Interior Trim Paint Sherwin-Williams, Semi-gloss - one color throughout

Exterior Siding Sherwin-Williams, One coat exterior latex over primed siding

Exterior Trim Sherwin-Williams, one coat exterior latex semi-gloss

Stairs treads Mini-Wax Stain color to match hardwood Front Door Mini-Wax Stain color to match hardwood

Tile

Backsplash Level 1 tile installed straight or w/brick pattern
Master Bathroom Floor Level 1 tile installed straight or w/brick pattern

Master Shower walls Level 1 tile from the decorator selections installed approx. 7' from shower pan

Master Shower Floor Level 1 tile

Master Tub deck Level 1 tile installed one tile above tub w/ edge pieces Secondary Bathroom Floors Level 1 tile installed straight or w/brick pattern

Secondary Shower surrounds Level 1 tile installed straight or w/brick pattern approx. 7' front the floor

Laundry Room Level 1 tile installed straight or w/brick pattern

Hardwood

Hardwood Floors(Basement) 2 1/4" Oak site finished with three coats

Locations Foyer, Kitchen, Breakfast, Family Room, Dining Room

Carpet

Carpet Style Shaw Collinsville Carpet Pad 6 LB. Pad

Carpet Locations Family room, Down bedroom, Stairs, Hallways, Lofts and All Bedrooms
